## Hamilton Chapter SDC and Avanti CAO Classifieds November 2021

1964 Commander (project car)

4-door sedan currently in Waterloo

This is a project for someone mechanically minded and within a reasonable distance wanting a driver.

It needs an overhaul (tires, brakes, hoses, seals, etc.) after being stored 27 years.

The body is alright. It had a new paint job before being stored but needs some touch-up. Interior trim wasn't completely reinstalled then, but the parts are there.

The 259ci V8 engine is seized and might have to be replaced.

Hood ornament and hubcaps aren't shown but are included. I also have some other extra parts that can be included.
