Letter from the President

By: Peter Downey

Hello friends! and Happy spring.

With the beginnings of spring evident all over it will soon be time to bring our Studebakers out of their winter slumber and

into the sunshine. While it was by normal standards an amazingly easy winter, it was nevertheless still winter. I purchased an almost new snowblower from Susan and was looking forward to using it as it was at least 10 years newer than my old one that gave me problems in 2022. However, Mother Nature had other ideas and it sat in my garage all winter and is now away in my shed!

By now the total solar eclipse will have passed us by, and no matter how cloudy it was or was not, it is a once in a lifetime event to experience right where we live.

Badenoch swap meet is coming up soon on May 5th, and hopefully the weather will be good enough that we can take a Studebaker out for a short trip. Hope to see many of you there. This will be the second year we have co sponsored the Swap meet and it is usually well attended by Hamilton members. Then from May 31 to June 1 is the South Bend Chapter Swap Meet.

We are finalizing the choice of the memorial bench we are donating to the Warplane Museum and should have the details hopefully in time for our April Chapter meeting. At that meeting we will also hopefully be able to vote and implement our Revised Chapter by laws.

As we move into the summer months, we need to think of alternative places to meet in June and July. So, if you have any ideas, please let the executive know. The fish fry will again happen in August 25th at Studebakers.

As always thank you for your input to your newsletter, keep the stories and pictures coming.

Be safe!

Happy Studebakering

Peter Downey, President

Switching to the Digital Membership

A little background:

When the SDC Board decided to make Turning Wheels available on-line, there were some conditions stipulated:

1. It could not be downloadable and shared. This eliminated the possibility of using a PDF file.
2. It had to be accessible on multiple devices (PC, Mac, tablet, smartphone).
3. Only active SDC members in good standing should have access to the magazines.
4. A new "digital membership" option should be available to those who only want to view the magazine on-line (no physical magazine delivery).

Because of these conditions, I am using a third-party service to present the magazine in a digital format. I have used this service for many years for my other clients. However, this service comes as a cost to the SDC.

This cost is based on the number of publications hosted on their service. Obviously, the more publications hosted, the more expensive it becomes. In fact, it becomes exponentially expensive, not geometrically expensive.

To keep the cost reasonable, it was decided that only 3 years of Turning Wheels magazines would be made available. For those that want digital versions of past magazines, the SDC offers a "Digital Library" available on a flash drive. The flash drive contains Turning Wheels magazines from 1963 - 2023. The magazines are presented in a PDF format on the flash drive. The Digital Library can be purchased for \$99.00 US.

Obituary of Donna Marie Graham

Donna Marie Graham (nee Forrestall) passed away peacefully at her home on January 7th, 2024, with her loving family by her side.

She was born March 22, 1946, in Halifax, Nova Scotia to the late Ella and George Forrestall. Predeceased by brothers Peter and Frank. Moving to Yarmouth, Nova Scotia not long after birth, where she would spend her childhood and adolescent years until she met the love of her life, George Graham. They married and moved to Ontario. Starting in Hamilton, to Grimsby and settling in Beamsville for the last 46 years.

Donna was a homemaker for many years but went into the workforce as a waitress after her kids were grown. It should be mentioned she enjoyed waitressing and talking to people so much she said she didn't even need the tips. She enjoyed baking for family, friends, events,

parties and every reason in between. Donna always dressed to impress and had the dance moves to match. She would also give advice on outfits and accessories to buy and was very serious about having her hair and nails done every six weeks.

As classic car owners, Donna was a member of the Peggy Sue Cruisers and was Membership Secretary for The Hamilton Chapter Studebaker Drivers' Club for over 15 years. She was actively involved with organizing car shows including the Winona Peach Festival. Although, you'd likely find her in the mall shopping with her grandkids while George sat at the cars. Donna also, alongside her dear husband, loved instilling the magic of Christmas in the hearts of everyone they could as they often dressed up as Santa and Mrs. Claus for parties and charity events.

Donna is survived by her husband of 60 years, George, and their three children, Joseph (Leanne), Sherri, and David. Forever remembered by her seven beloved grandchildren, Alexandra, Thomas, Madison, Hannah, Fletcher, Zoe and Xieran, as well as her two great-grandchildren, Isla and Joseph. She is also loved and remembered by nieces, nephews, and wonderful friends. Donna also deeply cherished her dogs, Lucky and the late Suzie.

Donna deeply cared for the people around her and will be forever missed by each and every one.

Cremation has taken place. A Celebration of life is being held at Club Roma, St. Catharines in the Starlight Room on March 3rd 1pm-4pm.

Joanne Gail Holman: October 15, 1947 - February 1, 2024.

Joanne passed away peacefully in the early hours of February 1st after a year and a half battle with Dementia, at the age of 76. Born in Toronto, Ontario, Joanne was a more recent resident of Brantford, Ontario, since 2015.

Joanne leaves behind her loving husband, Edward (Ted) Calder, of 30 plus years and her adoring dog, Niki. Predeceased by her son Paul Barton (1965 - 2018). Beloved Mom of Lisa Barton (Lance) and Stepmom to William (Lori) and Gwentyth (Justin). Proud Grandma to Justin, Daniel (Kelly), and Amanda (Dan). Doting Great Grandma to Benjamin and Holland. Joanne will be sadly missed by her siblings Marlene (Laurie), and Eric (Maryann), as well as nieces, nephews, extended family, friends, and former colleagues.

When Joanne's children were young, Joanne attended school as a mature student, graduated as a registered nurse, and had a fulfilling 25 year career at Joseph Brant Hospital, Burlington, mostly as a Psychiatric Nurse.

Joanne was very talented in many arts and crafts, as well cooking, baking and sewing. Joanne loved to decoratively paint on canvas or wood objects such as tables. She took up stained glass and made gorgeous pieces, of all sizes, to hang in windows or front doors.

She also learned how to make jewellery which she enjoyed doing for several years. Joanne loved to sew on her Janome machine where she made children's clothing and window drapery which she made for the house that she and Ted had designed and built in Caledonia, 2003. In the early 2000's, Joanne had a sign made "Joanne's Creations" and she and Ted would rent a booth at the local fall fairs where her creative crafts could be purchased by patrons. Joanne also loved to crochet from patterns or by freehand and would make beautiful clothes for her great grandchildren, or adorable coats for her dog Niki.

Joanne and Ted were fortunate and enjoyed traveling together, taking 2 week vacations in both the spring and the fall. Joanne and Ted's travels extended worldwide and included trips to Costa Rica, St Lucia, Dominican, Florida and several other U.S. states, Portugal, Italy, Lanzarote, and Spain. Joanne and Ted visited Scotland five times where they enjoyed spending time with Joanne's friend Helen and her family. Joanne loved to shop and she and Ted made many trips to New York state where Joanne would always find great deals which she loved to show to family and friends. And while in NY, Joanne and Ted would often stop in Tonawanda to see Joanne's uncle Carl and aunt Judy. Joanne and Ted also took many trips to visit her Dad who lived in a winterized cottage North of Huntsville. We joined the Hamilton Studebaker Club, we both bought a Studebaker (made in Hamilton) and have many fond memories of events and trips in Canada and the USA with club members.

A note from Ted: I was grateful to have spent the last 32 years with Joanne and am saddened that dementia cut our journey short. As Dolly Parton wrote in a song to her business partner Porter Wagoner in 1973 - "I Will Always Love You". Amen

Details of a celebration of Joanne's life will be made available at a later date.

TECH TIPS

Here's How to Find and Stop Oil Leaks

By Jim & Karen McKeever San Joaquin Valley Chapter, SDC

There's nothing more frustrating than having an oil leak that puts greasy, sticky goo all over your chromed and polished aluminum engine parts (or all over your garage floor!)

If you have ever wondered if there was an easy way to seal oil pan, intake manifold, or valve cover leaks, here is a little tip that will help.

For materials, you will need a tube of silicone sealer (the blue stuff or similar oil resistant type), a piece of vacuum hose large enough to go over your dipstick tube (with dipstick removed) and long enough to reach another car (about 8 feet or so should do), some duct tape, carb cleaner, and a stethoscope or reasonable facsimile.

(If you already have a vacuum pump, or decide to purchase one, you can eliminate the 8 feet of vacuum hose, but you will need an appropriate length to go from the pump to the dipstick tube.)

First, drain the oil from the leaking engine. If you forget this, the vacuum source, (i.e. the other car) will soon have five or so extra quarts of oil.

Second, seal the openings on the engine (PVC valve hole, oil breather, etc.) with the duct tape. You might want to start by degreasing the engine first.

Third, remove the dipstick, hook the vacuum hose to the dipstick tube on the leaking engine, and run the other end to the manifold vacuum on the other car (not ported).

Start the engine on the vacuum source car and run it just above idle. Take the stethoscope and listen to all the likely places it could be leaking on the oil pan, intake manifold, and valve covers.

Where there is a leak, you will hear a rush of air (HISS-S-S) being drawn into the engine. If you don't have a stethoscope, you can take carb or brake cleaner and spray it around the gasket areas, then watch and listen for it to be sucked in.

Once you find the leak, take your carb cleaner and spray the area liberally to get rid of the excess oil. Then take the tube of silicone sealer and apply it wherever the engine is hissing. The vacuum will pull the sealer into the opening, sealing the leak. Allow the sealer to completely dry, then trim off any excess, so everything looks nice and neat.

Don't forget to put oil back into your formerly leaking engine before you fire it up, or you may have to clean broken parts off the garage floor that weren't there before!

This little trick also works on new and/or rebuilt engines while on an engine stand, to make sure they don't leak before they go into your car.

Malcolm Berry April 23, 1940 to Feb. 2, 2024

Longtime Studebaker Drivers Club member and Tri-State member, Malcolm passed away after a short illness. Many of you will remember him as a fixture at many speed events and would recognize his white Studebaker wagon. He loved speed and would willingly help anyone who asked.

ANNOUNCING THE 60TH ANNUAL STUDEBAKER DRIVERS CLUB INTERNATIONAL MEET

Dubuque County Fairgrounds, Dubuque Iowa
June 25-29, 2024

Join us to celebrate our Diamond Jubilee, the SDC's 60th Studebaker Drivers Club International Meet! All activities are at the Dubuque County Fairgrounds in newly remodeled, climate-controlled buildings or under the many shaded areas.

Iowa's hospitality guarantees you can gather with friends for an enjoyable visit to where Iowa started. We think you should come early and enjoy an extra day where limestone bluffs meet the Mississippi River. You can ride the world's shortest, steepest railway and enjoy stunning views from the top. Dubuque is where you'll discover two Smithsonian-affiliated museums and over 50 murals that have earned national acclaim. Dubuque, Iowa, is where you will visit but want to stay.
