PRESIDENTS MESSAGE NOV/DEC 2019

Hello Friends;

Merry Christmas and Happy New Year Friends.

Here we are almost at the end of another year and another decade. It seems like Y2K and all the fuss about computers going berserk on January 1, 2000 was so long ago. Maybe we would have all been better off if they all stopped working?

This issue of the Bulletin, has a lot of great photos from our Christmas Party in November, which was well attended and a good time was had by all. Thanks to Santa Clause and Mrs. Clause and their excellent elf for a job well done!

By now all our Studebakers are safely tucked away in their storage spots awaiting that first spring day when we dare start them up to begin another year of driving fun and enjoyment.

We had a lot of good events this past driving season, and your Executive has some ideas for more of the same in 2020, so stay tuned.

Each of us have treasured memories and special things that make this Holiday truly special. No doubt that most often it really comes down to spending time with our family, having those special traditions handed down to us from generation to generation, and enjoying an amazing meal prepared with love and great care. At the center of it all is the fact that as family we all get to spend time together, to break bread together and celebrate life with those who are so important to us.

Remember those who cannot make it home for Christmas this year, or those less fortunate than we are, those who must spend Christmas in hospital, and those who are missing loved ones. Just as important though is to celebrate with those you are with, enjoy their company and your traditions.

My Christmas wish to you all is that you are surrounded by loved ones this season, and you can enjoy all the festivities the season offers.

Regards, Peter

TIME WAITS FOR NO MAN

It seems that as the years come and go many of us, I'm sure, think and exclaim to family members and friends about how fast time seems to be passing us by. I can recall reading a number of science fiction books back in the 60's and the authors would often be using dates that were away in the distant future with time travel, flying saucers and rockets, like 2016 or 3052 for example, as well as being able to do time travelling forward to the future or back to the past.

So you're probably wondering why on earth I would be writing this seemingly date related information instead of writing about Studebakers.....Well, the speed at which time passes can be a little thought provoking as we all age. In a few days we are about to engage in celebrating the New Year, 2020! So Lorraine and I want to wish you and yours all the best with a happy and healthy 2020. By the way, when I was a kid in public school my mother would often encourage me by saying (with education in mind) "time waits for no man" in other words, I had better pay attention in school and strive for good marks. So in a few days it will be 2020!!! Sci-Fi talk in what seems to us just a few years ago.

OUR 2019 CHRISTMAS PARTY

text and pics by Paul

On Saturday, November 23 we had a great time at our annual Christmas party! Once again it was held at the Kings Forest Golf Club in east Hamilton. The room is perfect for our Christmas occasion and the dinner was buffet style and fabulous. Turkey and all the fix'ns and plenty of it!

Santa and Mrs. Clause and their elf appeared right on time and we all had a chance to let him know that we've been nice not naughty!! There were gifts for everyone. "Bring a gift, get a gift" is the way it works. So you would go and get your picture taken with Santa and Ms Clause and our all star elf, after which you could select a gift from the gift table. There were many folks in attendance who enjoyed the delicious dinner and the camaraderie. The Christmas spirit was alive and well throughout the evening.

Sincere thanks to Wayne Hamilton and Sharon Pearce for playing the part of Mr. and Mrs. Clause and especially to our little elf, Donna. It was a most enjoyable evening and thanks to all our chapter members and friends that attended.
