Kevin & Della Mullett

It is with heavy heart that I announce the passing of Kevin Mullett, peacefully on Saturday May 9, 2026 at the age of 82.

- ❖ Beloved husband of Della Mullett for 52 years.
- ❖ Loving father of Ryan Mullett, Sherri Young, and predeceased by daughter Sheline Mullett.
- ❖ Proud grandfather of Austin Southall, Jordon Southall, Brittany Provenzano, and Nolan Mullett.
- ❖ Great grandfather to Carter Provenzano.

Kevin was a proud and founding member of the *Studebaker Drivers Club Hamilton Chapter*.

He had a life long love of cars, and he also loved history.

He was happy to travel with his wife Della to some of his most treasured places while enjoying his many years of retirement in what most likely was his favorite Studebaker this 1951 Convertible.
